Omar Hamouda

Android developer

I have over 2 years of dedication in Android App Development courses, I began with "Mobile application Development" Course by Russian Cultural Center, I hold a diploma in 1 Million Arab Coders, Then I took the Course "Mastering Android Development" by Inteliminds; I developed 6applications, 2 of them are on Play store now. I've been working as a CMS Officer in Qanawat Company with 2 Years of Experience. My passion is Mobile application development, I have a big devotion to it and I see it my future career
